Circ. Words:

The animals that live in the same village as Tarouza

Under Tarouza's guidance and abilities, plant-eating animals live in harmony with each other in one village. There are fields and bridges in this village.

OLIVIA

A bear that befriends with Jyu.

DENGO

Friends of Monoko since they were kids. The caring Dengo and clown-like Piman.

JYU

Following Tarouza and Capri, he is the third human to appear in "Animal Country". He is a hateful and violent young boy that is completely against Tarouza's dream of "everyone getting along". He is able to use an unknown power he calls "fire".

CAPRI

A human girl that was raised among a pack of lions. She can speak with any animal just like Tarouza. She is a mischievous girl that think of plant-eating animals as "prey".

UP UNTIL LAST TIME...

Unable to see eye-to-eye with the carnivorous Capri, discord arose between Tarouza and her. But because they saved her from a battle where fellow lions were killing each other, the two started to interact. Because of that, Tarouza renewed hope to someday reach common ground with meat-eating animals, but a strange shadow creeps near in the shadows... A young boy named Jyu, controlling a gigantic beast, attacked Tarouza and the others' village. Against Jyu's bold statement that the proper and most beautiful form of animals is to be killing each other, Tarouza and the others could only cower in fear...

Capri's Siblings

Character Introductions キャラ紹介

TAROUGA

A human child that possesses a "ory" that can be used to communicate with any animal". Monoko is his mother that raised him since he was a baby. He lives together with plant-eating animals of different species. He wishes to someday be able to get along with meat-eating animals as well.

MONOKO

A female taruki and Tarouza's mother. Her parents were eaten by tysons and she was alone when she picked up Tarouza and decided to become his mother.

JEK

A wolf child. Ever since he lost his family in a bear attack, he has lived in the taruki village. Now he is family to Tarouza and Monoko.

KUROKAGI

A lynx that questions this world of the strong preying on the weak. Ever since his life was saved by Tarouza, he has vowed to fight for Tarouza's sake. Even now, he is a valuable fighting force for Tarouza's sake.

LAMS.

IT'S TRUE  
THAT WE  
EAT MEAT.

AND WE  
ONLY EAT  
THOSE WE  
RESPECT.

WE DON'T EAT  
FEMALES OR  
CHILDREN.

BY EATING  
HIS FLESH,  
WE MAKE IT  
PART OF OUR  
BODIES.

JARRA'S  
STRENGTH...  
AND HIS WAY  
OF LIFE.

THEN, THAT  
DECEASED  
COMRADE,  
TOO?

RESPECT  
...?

JARRA  
WAS MY  
FRIEND AND  
A GALLANT  
WARRIOR.

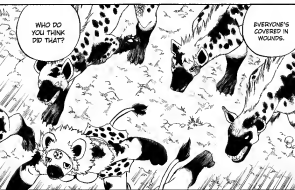

YES,  
THAT'S  
RIGHT.
